TK Chan (Hong Kong, b.1984)

TK Chan began her Chinese ink painting series in winter 2016 under the encouragement and guidance of established artist POON Kwing Wing (Water POON). Inspired by the round cuteness of her own pet animals, she sought to capture these lively qualities with the movement of her ink brush and the colour ink wash of her images. Her animal paintings have been described as embodying happy feelings of love and caring. All life was precious; that we need to treasure life, every little bit of it, including not abandoning or killing sick animals & ourselves not succumbing to thoughts of hopelessness & suicide. It meant seeing new beauty in adopting & nurturing our pets. In this Animal Family Collection, she wished to convey that Home is one of the important element in Chinese Society since ancient time. In TK's collection you can find: Children are nurtured, Adults are supported to contribute, Elderly are cared for.

This animal collection was first shown at INK ASIA art fair in December 2016 in Hong Kong where her fresh contemporary ink style, received much attention from the local media & from established Chinese ink painters. In 2017 she was one of the finalists for the Finalist of the Entrepreneurial Award, Alumni Awards 2017 - organized by the British Council, Hong Kong. Her painting 'Rooster Family and Happy Dog' were selected at 33 Auction, Singapore in 2017 and 2018
